GREETINGS ONCE AGAIN FROM THE SHORES OF MOOSE POND!!

Activities and trips are in full swing down at Camp 9, the north end of camp. Since opening day we have had beautiful weather with just a little bit of rain to dampen Field Day. Building fires at Camp Craft, splashing towards swimming chipmunks, and passing canoe tip tests are just a few of the adventures campers have experienced already.

On Saturday, we celebrated Winona Night which is the official start of summer 2011 here at camp. Last year's banner and award winners were recognized; unit and camp songs sung "staunch and true," as well as new leaders declared for their colors and tribes.

Congratulations go to the new Intermediate leaders:

Red Co-Captains: **Juan Ernesto Vazquez** and **John Cagganello**

Gray Co-Captains: **Thomas Silk**, **Milo Kremer**, and **Lieutenant Henry Jones**

Delaware Chief: **Devan Lockwood** and Sub-chief **Robert Hallock**

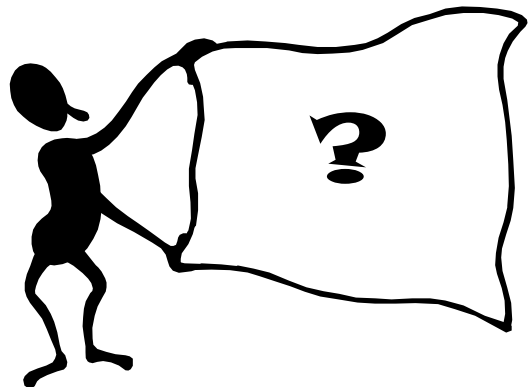

Mohawk Chief: **Mitch Clements** and Sub-chiefs **JC Ralff** and **Asher Heaney**

Ojibway Chief: **Ghael Fobes** and Sub-chief **Sam Martin**

Seneca Chief: **Andrew Allsopp** and Sub-chief **Owen Bass**.

New campers to Winona went through a rigorous and complex draft system in Inty to be prudently placed on an appropriate color team and tribe. These campers were warmly welcomed into their respective teams/tribes and hope to influence on this summer's banner.

(Over for more news!!)

Mountain Trips have been off to a great start since opening day. The first trip on Friday saw **Uncles Bruce Allsopp** and **Jack Elzinga** guide **Julian Orillac, Griff Lehman, Pablo Soler, David Rodriguez, Fergus Mason, Issac Fournier, Devan Lockwood, Alfredo Gutierrez Velez, Emilio Domenech,** and **Pedro Martinez Velez** up the southern ridge of Moat Mt. in New Hampshire. Campers had no problem reaching the summit and were rewarded with a 360° view on a sunny day.

Lots of trail snacks were consumed as well as a hearty lunch at the top. There was a "bearver" sighting but details are sketchy at this point, more on that to come in next week's newsletter.

On Saturday, a second set of day trippers hit the trails. This stalwart group of campers scaled Mt. Chocorua using the Champney Falls Trail. **Renzhong Huang, John Cagganello, William Zhang, Ghael Fobes, Townsend Miller, Issac Fournier,** and **Devan Lockwood** were led by **Uncles Bruce Allsopp** and **Jack Elzinga** once again to another spectacular 360° view. They were able to accomplish some map reading skills and identify Mt. Washington as well as several other peaks in the area. On the way back down, they took some time to cool their dusty trail feet in the bracing but beautiful water of Champney Falls.

Playing the unit's first official inter-camp competition of the summer on Saturday, soccer players **Theo de Meeus d'Argenteuil, Alvaro Pascual Brier, Mitch Lehman, Mitch Clements, Milo Kremer, Rafael Saavedra, Rob Hallock, Jacob Voyzey, Esteban Nicolau Mancera, Rafael Cabezas, Jorge Mijares Mancera, Juan Ernesto Vazquez, Antonio Estevez Sanchez- Bedoya** played with heart against Camp Oatka but were ultimately defeated 7-2. Coaches **Florian Gruetzmacher, Banak Thiwat,** and **Sam Bernstein** did a superb job developing the players into a team that will provide a serious challenge for their next opponent.

Even though there were a few rain showers during Field Day, spirits were not dampened in the least bit. Tug o' war, Ga-Ga-Ga, 40 yard dash, and slip 'n slide were enjoyed by all before the entertaining counselor race was run. The Reds won the majority of the competitions and earned the first Red/Gray competition points of the summer.

The coming week has Inty campers highly anticipating their first kayaking trip, the first overnight mountain trip, and the first canoe trip to Richardson Lake. Soccer, rifle, archery, and basketball competitions are all on the slate for this week.

Stay tuned to next week's newsletter for updates to these Inty exploits. Activities and fun will only get bigger and better here on the shores. The tremendous staff and outstanding campers are making this an incredible summer to remember already!

Staunch and true,

Uncle Stephen Cournoyer
